

MATRICÁK / MATRICES 2012 • BUDAPEST
KISMÉRETŰ ELEKTROGRÁFIÁK VI. NEMZETKÖZI KIÁLLÁS
6TH INTERNATIONAL EXHIBITION OF SMALL FORM ELECTROGRAPHY

Dear Artist, We are glad to announce the 6th international exhibition of **MATRICES**.

The aim of the organizers is to give the opportunity of presenting small-sized electronic artworks created by foreign and Hungarian artists, making a survey of diversity and presenting their works at Hungarian and international level, within the size of 20 x 20 cm.

We expect special technical solutions synthesizing new procedures, original ways of expression, raising topical techniques and contents, high-standard works: electrographs composed on different layers, digital installations, virtual and 3D creations, objects showing the artistic potentials implied in computer technique.

According to our plans, high-standard works will be awarded.

We plan to publish a catalogue in two languages (Hungarian and English), each participant being qualified for a copy.

After the exhibition we will return the works.

We would be delighted if you donated your work(s) or a series exhibited to the archives of the Hungarian Electrographic Art Association.

We intend to go on enriching the electrographic collection of MET(HEAA) and scientifically elaborating the collection in the future.

You are requested to declare your intent to donate by completing the form enclosed.
